For the purposes of Capital Markets Rule, the Company hereby reports that the Audited Consolidated Financial Statements for the year ended 31 December 2025 show a profit after taxation of €20.3 million whereas the projected after tax profits as per the Group's financial forecast for 2025 as disclosed in the Financial Analysis Summary ("FAS") published by the Company in June 2025 was of €18.1 million. A positive variance is noted. Such variance is mainly attributable to:

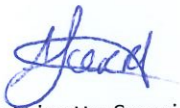

- A recognition of an uplift in the fair value of investment properties held
- A slight decrease in cost of sales and an increase in administrative costs mainly due to a higher depreciation of assets

#### **Dividend recommendation**
